DUTIES OF THE EARN AND LEARN VOLUNTEER MENTOR

Our goal is to expand Earn and Learn to other school districts. In order to do so, we will require additional volunteer mentors who will meet with a small group of four to six students once every two weeks.

The meetings will be either at the end of the school day or during the lunch hour. They would last less than one hour. (There are no meetings during summer and school vacations.)

The volunteer mentor will fill the role of mentor/employer/big brother. At the meeting, the “employer” will

- Lead a group discussion.
- Collect and review the students’ progress reports.
- Distribute the checks if the students have earned them.
The checks are prepared in advance and provided to the mentor.

Mentor training is provided to assist in understanding and implementing the program.
