## PROGRAM RULES

### EXPECTATIONS:

- EARN and LEARN MENTORING FOUNDATION Participants (Students) will be required to achieve a “C” or higher throughout the entire school year.
- EARN and LEARN MENTORING FOUNDATION Participants will be **required** to attend **all** meetings scheduled during the school year – the only excused absences accepted will be school-approved field trips and excused illnesses. **Two (2) unexcused absences from the program for the entire school year will cause you to be dismissed from the Program.**
- You are responsible for making sure you have your **Progress Report** signed **PRIOR** to your regularly scheduled meeting. In other words, no running around the morning of the meeting getting signatures, or bringing incomplete Progress Reports to the meeting. Should you neglect to get your Progress Report signed before your meeting, it will be considered an unexcused absence and will go toward your two (2) unexcused absences allowed during the year.
- We must see steady improvement in your behavior, attendance and grades – if we do not – we will ask you to leave the EARN and LEARN MENTORING FOUNDATION Program or allow you to be suspended without being eligible for the stipends.
- If we lose Program Participants due to lack of commitment to the above rules, we may discontinue the Program completely.
- Each student will receive \$5.00/day for perfect attendance (or \$50 in a two week period) if he or she receives a “C” or better in each class, attends meetings, conforms to EARN and LEARN MENTORING FOUNDATION Rules and receives positive teacher Progress Reports.

### IMPORTANT:

- **Please carefully consider your decision to join the Program and to observe its rules.**
- **The Program’s success relies upon the full commitment of all its Participants.**
